COMPANY OVERVIEW

Kurozato LLC serves as a premier Federal Prime Integrator, providing a "Compliance Shield" for established commercial firms (\$1M+ revenue). We handle the complex administrative, regulatory, and audit requirements of government contracting, allowing our partners to focus on technical delivery while we manage the bureaucracy.

CORE COMPETENCIES

- Federal Prime Integration & Subcontractor Management
- Full-Spectrum Regulatory Compliance (FAR, DFARS, NIST SP 800-171, CMMC 2.0)
- Administrative Excellence & Audit-Ready Documentation
- Government Contract Reporting & DCAA-Compliant Oversight
- Strategic Federal Business Development

DIFFERENTIATORS

- **The Compliance Shield™:** Proprietary oversight framework ensuring 100% audit readiness.
- **Immediate Federal Capacity:** We act as your in-house federal department, removing the need for internal compliance hires.
- **Targeted Performance:** Specifically designed for established firms ready to scale into the federal sector without the typical administrative friction.
